LE POUVOIR DES CARTES: GRAPHISME ET ENJEUX GÉOPOLITIQUES

TURQUIE

Kapikule

BULGARIE

The background is an abstract watercolor wash on a light grey or off-white paper. It features several irregular, overlapping stains in shades of blue and brown. A large, dark blue stain is prominent in the lower-left quadrant, while smaller, lighter blue and brownish stains are scattered throughout, particularly along the left edge and bottom right. The overall texture is soft and painterly.
